

LIFE Church of Christ, Werribee

Our PURPOSE:

To be a community belonging to Jesus Christ inviting people to share LIFE.

Our MISSION:

To guide those far from God into LIFE in Jesus Christ.

LIFE is expanded here...

LOVING GOD – Jesus taught that the most important issue in all of life is to love God with all your Heart, with all your Soul, with all your Mind and with all your Strength. God is the source of life and when we choose to love him with devotion as described, real life, better life than you ever dreamed of truly begins to flow! But it doesn't end there... Love God! And, do it...

IN COMMUNITY – Loving God initiates new life and abundant life, and it is so much more fun and more effective when you love God within a community of friends who also love God passionately. God's family is one of the greatest treasures you could ever hope to tap into. But Jesus says your not done yet! Next there's...

FULFILLING YOUR POTENTIAL – the power of God to save you and lift you up and bless your life and fulfil your hopes and satisfy your soul and empower you is truly beyond your wildest dreams. Jesus promised, all the power of God that raised him from the dead, that created the Universe, can be active in your life too! You don't have to settle for average, weary, worn out living. Your potential in God is far greater than any opportunity in this world! Finally, there's...

EXPANDING GOD'S KINGDOM – as you Love God, In Community with others and begin to grow in your Potential, I can guarantee you are going to want to share your experience with others! This Jesus said is one of the greatest joys of life... to help others find the real, everlasting, better than you could dream of life that is available in God through Jesus!
