

Wyndham Vale Christian Centre

Growing people, Growing God's Kingdom

Vision Statement

The Church we see:

- A church committed to putting God first in our lives
- A community dedicated to demonstrating the truth of Jesus through the transformation of our lives.
- A redemptive body that is willing to invest in anyone regardless of background because we see everyone as being created in the image of God.
- A place where we are challenged to a more genuine walk with God.
- A community that welcomes people and seeks to release them into serving Jesus where they best fit
- A place where every member is productive and active in the life of the community
- A collection of people becoming one united body with a singular mission – the extension of God's kingdom here on earth
- A place where we can ask hard questions and know that people will journey with us in the quest for an answer
- A community where people are encouraged to evaluate their lives in the light of biblical truth
- A people dedicated to the spread of the gospel, that is creative in finding new ways to express God's good news for humanity
- A church that expresses its faith vibrantly through worship and the quality of our life together

*Wyndham Vale Christian Centre is a member of CRC Churches International.
In Fellowship with the other Churches of Wyndham.*
